### Statement re Typhoon Haiyan

Tricor (AIM: TRIC), the investment company focussed on the resources sector with investments in iron sand and sand trading operations in the Philippines, wishes to confirm that these operations have not been affected by Typhoon Haiyan, which hit an area several hundred kilometres to the south of the site. As previously announced, operations resumed on 1 November 2013, following the end of the monsoon season. Sand shipments are continuing, along with construction of the iron sand plant, as planned.
